Will you say “YES!”?

*“Theresa Callahan’s **Retreat to Tuscany** program exceeded my expectations! She has thoughtfully curated experiences to allow the participants to live fully in their truth. The magic that happens is indescribable. I came home feeling more self actualized and full of love.”- Retreat participants, May 2018*

*“The retreat and coaching concepts, daily excursions and experiences were all planned down to the detail. It was magnificent.”
Retreat participant, October 2018*

*“What did I learn while at **Retreat to Tuscany**? To live life and enjoy every moment. This trip woke me up to what I am missing in life. I need to spend more time with women and explore the world more. I learned so much and was so inspired by the other women in our group.”
Retreat participant, October 2018*

*“There is something about being in this village, participating in these daily experiences in Tuscany, that is transformational. I’ve never experienced anything like it.”
